

Buying and Installing your Guitar Practiced Perfectly Software

Buying Process

1. Click “Buy Now” and you will go to the Specification & Price details page.

2. Click on “Proceed to support registration & Buy” button

You can buy GPP in the following currencies;
\$US, £ Sterling and Euros.

3. The shopping cart will show your purchase and you will be asked to provide your details and credit card through the Secure Worldpay system.

4. Following payment you will be sent two confirmation E mails;

a) Worldpay system e mail to confirm your secure credit card transaction.

b) Important GPP Activation e mail which will confirm your purchase and contain your software activation order number. This number will be required after you have installed the software on your PC.

NOTE: IF YOU DO NOT RECEIVE YOUR ACTIVATION E MAIL THEN PLEASE CHECK YOUR SPAM FILTER

Installation

1. Download and save the GPP installer by following the link in your activation e mail.

2. Make sure your PC has a working internet connection.

3. Make a note of your order reference number which is needed to activate your software. This can be found within your GPP purchase confirmation E Mail.

4. Make sure you have full administration rights to your PC.

5. Double click on the guitarpracticedperfectly.exe download file and follow the on screen instructions to complete the installation.

Note: If you are using Microsoft Vista then right click on the .exe file and select “Run as Administrator”.

Activating & Starting GPP for the first Time

6. Click on the desktop icon to start you program for the first time. You will be prompted to enter your Name and RC order number from the purchase confirmation E mail. The name can be anything. For the activation code, do not enter the letters "RC", just the number. Click "Register on Line" and the activation process will be completed with a successful message.

7. Upon successful activation you will be prompted to enter your Log on details for the software. Enter your name, then Ability setting 1 - 6 (This is an approximate guide to your ability will 1 being beginner and 6 being expert). This can easily be changed later. Then select the start month for your reports. This is normally the current month and can also be changed later. Leave the "ask for confirmation" checkbox unchecked for now. Click ok.

8. You are now ready to go!

9. When you use Guitar Practiced Perfectly for the first time please read the quick start guide which you will see in the first group called User Manual.

Enjoy your guitar with GPP!
